

Large Group Team Buildings

Create a delicious gourmet meal with no recipes, no kitchen, and no training by booking one of our most popular flagship team-building exercises! Impossible as it may seem, it's true that you can enjoy a unique bonding experience for your large group too!

- Cooking Team Building: 2 to 4 Hours (depending on your needs and schedule)
- Group Size: 100 to 800 Participants
- Location:
 - Hotels & Resort Ballrooms
 - Conference Center Rooms
 - Resort Property: Tented Beach, Waterfront, Gardens, etc...
 - Dining & Training Rooms
- Background Environment: **CEO Chef's** Customized Music Playlist
- Team Outcome: Multi-Cultural Gourmet Buffet as your group's meal or pre-dinner appetizers that everyone enjoys.

- **Fun** is the secret weapon to our process for your team's transformation. Even though we take your team building program very seriously, we know that by creating an environment of fun, your group will open up to new ideas and feelings about the people that they work with in a very short amount of time. So think of it as fun with a purpose!

- We all eat, so **food and cooking** is the common denominator to bring all people together. Gaining quick rapport and **accelerate** your **team bonding** process.

- Your whole program is **orchestrated** around your conference or meeting **schedule** so that your group first experiences a fun, action-packed team cooking process, followed by an incredible (as well as delicious) team outcome that incorporates a passive **team bonding** process, then tied together with a **powerful message** shared through your individual team debriefs and reiterated by CEO Chef founder Jim Connolly. So the transformation that your **team "feels"** during the action process is brought to light and understood consciously by the conclusion of your program with your lead trainer asking the most important question of the day...

"We had a wonderful event with our 120 people from our Strategies Development Team from Cargill, a 130,000 employees world wide. CEO Chef did a great job organizing this event for us. We are very pleased with the outcome and hope to work with them in the future!"

-Andre Cary, Cargill

- *"If you can do this cooking team building exercise with all the success you've enjoyed and with all the challenges that could have held you back; what can you do as a collective team back in your own work life?" Of course, the answer resonates within everyone: **"Anything!"***
